

AUSSIE ECO CLEAN THREE PHASE ELECTRIC BLASTERS

Model Numbers: **Monsoon 200** **Monsoon 400** **Raptor**
Monsoon 300 **Monsoon 400 Maxi**
Monsoon 300 Maxi **Hurricane**

Model shown: Monsoon 200

Product Description:

Professional 415 volt cold water high pressure cleaning machines made for tough Australian cleaning applications. 1450 rpm slow speed Bertolini pumps and 4 pole IP56 electric motors. These units are designed for long continuous operation.

Applications:

Heavy duty cleaning applications including;

- Feedlots
- Piggeries
- Industrial/ factory applications
- Ship yards
- Council depots
- Large farm machinery
- Food plants
- Truck & bus wash
- Heavy industries

Specifications:

Model	Pump Pressure	Pump Model	EWP Pressure with turbo lance	Flow rate (lpm)	Engine/Motor	Pump rpm	Weight (kg)	Dimensions (mm)
Monsoon 200	3000	TTV2015	4785	15	7.5HP 5.5kW IP56	1450	70	700x500x800
Monsoon 300	3000	TTV2021	4785	21	10HP 7.5 kW IP56	1450	80	700x500x800

Monsoon 400	4000	KTV3015	6400	15	10HP 10 KW IP56	1450	105	700x500x800
Monsoon 400 Maxi	4000	KTV3021	6400	21	15HP 10 kW IP56	1450	105	700x500x800
Hurricane	5000	HDS5057	8500	18	17HP 12.5 kW IP56	1725	120	950x700x800
Raptor	7300	GHC12/50S	12000	12	20HP 15 kW IP56	1450	120	700x930x700
Raptor Plus	7300	GHC16/50S	12000	16	25HP 18.5 kW IP56	1450	120	700x930x700

NB: EWP figures theoretical only

Features:

- “Big Berty” Bertolini pump with brass pump head, stainless steel valves, double seal system, ceramic pistons and oversized roller bearings
- Galvanised, rugged steel rollover frame, four 13” off road wheels with pneumatic tyres
- Heavy duty on-off switch with high amperage shut down
- IP56, 4 pole 415 volt electric motor with elastic coupling
- Thermal dump by-pass protection

Standard Accessories:

- Monsoon series: 4000 psi rated AL5 gun with stainless steel dual lance, high pressure & low pressure ss nozzles.
- Detergent injection kit.
- 10 metres of heavy duty 3/8” wire braid high pressure hose with quick coupler.
- Raptor includes 7300 psi rated gun & single lance with nozzle.
- Hurricane includes AL35 gun, single lance with nozzle.

Due to our program of continuous product development the manufacturer reserves the right to alter specifications without notice.

Benefits:

- Long trouble free Pump life
- Easy to manoeuvre over rough ground, strong and reliable
- Unit Protection—offers unit electrical protection from excessive amps and heat
- Prevents ingress of foreign matter to motor
- Protects pump from by pass over heating

Optional Accessories:

- Aussie Turbomaster lance
- Grit blast kits
- Foaming lances
- Extension lances and telescopic lances up to 6m long
- Rotary floor cleaners
- Hose extensions
- High pressure hose swivel
- Drain cleaning nozzle kits
