

AUSSIE ECO CLEAN AB SERIES

Model Numbers: **Cougar MkII**
AB 22

AB 32
AB 42

AB22

Cougar MkII

Product Description:

These direct drive, engine powered, compact cold water blasters suit contractors and tradesmen looking for high pressure blasters that take up minimal space in their ute.

Genuine Honda engines and triplex pumps mean that these units deliver.

Applications:

Heavy duty cleaning applications such as;

- Home use (Cougar MkII)
- Farm use
- Cleaning contractors
- Schools
- Construction/building industry (AB42)
